ANGUS

Our philosophy is to breed the best Florida acclimated cows to the leading bulls in the country. The result is superior Angus bulls and heifers that thrive in the Southeast.

We price them reasonably and care for them as only an experienced owner/veterinarian can. Country Oaks Angus Ranch is owned by Bill Freel, a practicing bovine veterinarian for over 31 years.

We offer a customer service and follow-up program unequalled in the industry. Our philosophy and our motto “Breeding Leading Genetics” says it all.
